## Welcome!

Thank you for becoming a patient! Since you're new to our practice, we wanted to pass along a few tips.

- Keep your hearing safe while listening to music with the 60:60 rule- 60% maximum volume for no more than 60 minutes per day.
- Wear hearing protection while working with power drills, sanders, saws and lawnmowers to prevent noise-induced hearing loss.
- Check your medications for hearing loss side effects.

As a special welcome gift, we're offering [ASSOCIATE PROVIDED OFFER].

We hope these hints will be helpful! For more information and additional audio health tips click here to visit our website. If you have additional questions for us please contact us by clicking the button below, or call us at [CLICKABLE PHONE #]
